

## CHARITY REQUEST

Tonbridge Angels FC is a community club, owned by its members and we are very proud of the work we do to support both local and national causes.

Our current chosen charities are CRY – Cardiac Risk in the Young and PACT – Phoenix Autism Centre Tonbridge and our fundraising efforts are concentrated on raising funds for these causes.

We are however happy to consider requests for raffle prizes such as family match day tickets and signed merchandise for registered charities, however due to the overwhelming demand we regret that it is not possible for the club to meet all these requests.

We are also able to offer a substantial discount on our lounge bar and marquee for a limited number of fundraising events throughout the year.

We ask that all requests are put in writing including the information below and emailed to our Vice Chairman Amy Weaver at [TonbridgeAngels1948@gmail.com](mailto:TonbridgeAngels1948@gmail.com) or handed to one of our Directors on match days. Please allow at least 4 weeks before your event to request a prize and 8 weeks to request venue hire.

### Your Details
